

Research Opportunity for People with Obsessive-Compulsive Disorder

The Anxiety Disorders Center at the Institute of Living/ Hartford Hospital is conducting studies of people with obsessive-compulsive disorder including a neuroimaging (brain scan) study, an interview study, and a study examining problem solving abilities.

Participants will receive \$20 per hour. The studies are open to adults aged 18 to 65 who meet study criteria.

For more information, please e-mail the Anxiety Disorders Center, ADCresearch@harthosp.org or call 860-545-7039
